During Eurovolies 2018, you may take part of demonstrations as follow :

- Stunt Kites (team or individual)
- Traditional / static Kites
- ROKKAKU contest « MARION SALAISONS »
- Wind or musical gardens
- Night flying

Saturday lunch (cold meal), Saturday dinner (hot meal) and Sunday lunch (cold meal) **are offert for your kind participation to EUROVOLIES 2018.**

We ask you to do your best to animate the meeting and to do the show during this week-end, in order to share your passion and creations with visitors and show authorities that our meeting is attractive to kite flyers in order to let Eurovolies continue in the future.

Pay attention please: we kindly asked Hippodrome to limit horses training and they accept. As we can't disturb the early morning training as necessary, we can't make noise and can't fly kites on Saturday before 2 p.m. and on Sunday before 9.30 a.m.
